# ALSAN ALL-PURPOSE CLEANER

TECHNICAL DATA SHEET 150629SCANF

(supersedes -)

## DESCRIPTION

**ALSAN ALL-PURPOSE CLEANER** is a water-based cleaner designed to dissolve, remove grease and accumulations of dirt, oil and grease without the use of harsh solvents on surfaces to recover **R NOVA PLUS**. Moreover, **ALSAN ALL-PURPOSE CLEANER** is used to reactivate surfaces of the **R NOVA PLUS** membranes exposed for more than seven (7) days to environment elements and contaminants.

## APPLICATION

**ALSAN ALL-PURPOSE CLEANER** is applied using rolls, brushes, mop or low pressure sprayer.

**ALSAN ALL-PURPOSE CLEANER** should be applied using clean rags or cloths. If work is interrupted and the surface of the cured resin is exposed to environment elements for more than twelve (12) hours or becomes dirty and contaminated, thoroughly clean the in-place and cured resin with **ALSAN ALL-PURPOSE CLEANER**. After the **ALSAN ALL-PURPOSE CLEANER** has been allow 15 minutes to evaporate, the surface may be coated as required.

For most applications, **ALSAN ALL-PURPOSE CLEANER** can be reduced 2 or 3 times with fresh, clean water.

If surface is hot, wet before applying **ALSAN ALL-PURPOSE CLEANER**. Allow **ALSAN ALL-PURPOSE CLEANER** to remain 5 to 10 minutes. Do not allow the surface to dry. Rinse the surface thoroughly and entirely with clean water. Allow the surface to dry completely before covering the surface.

Temperature application: 5 to 35 °C (41 to 95 °F).

FOR COMPLETE INFORMATION ON PRODUCT APPLICATION, PLEASE CONSULT YOUR SOPREMA REPRESENTATIVE.

## PACKAGING

Specifications	ALSAN ALL-PURPOSE CLEANER
Physical state	Liquid
Colour	Clear
Container	18.9 L (5.0 US Gal)
Coverage rate per container	139 m <sup>2</sup> (1500 ft <sup>2</sup> )

## CLEANING

Tools and uncured adhesive can be cleaned with solvents, such as mineral spirits, Varsol, Xylene, etc.

## STORAGE AND HANDLING

Storage: Up to 12 months in original sealed container, protected from moisture. Store in a ventilated place, away from heat and direct sunlight.

For more information, refer to instructions on the container label and relevant safety data sheet (SDS).
